# We Acknowledge Our Donors

Graduate House has a proud history of benefaction and a strong culture of recognising our benefactors. Some of the ways in which previous members have been remembered are shown opposite.

## **William Berry**

Due to his driving effort to attain the terraces which are now an iconic part of Graduate House, the William Berry Wing is named in honour of the founder of our college – the eleventh affiliated to The University of Melbourne.

## **M V Anderson**

Naming of the M V Anderson Room, an elegant and comfortable member-only area, is in recognition of this renowned accountant and philanthropist's contribution of leadership and significant gifts.

## Phillip Law

A major bequest from this famous Antarctic explorer enabled many building works and was acknowledged with the naming of the Phillip Law Members' Lounge late 2012.

## Stella Langford

Her generous donation enabled the purchase of three terraces, the street frontages of which remain at the 2010-opened Stella Langford Wing of ten apartments, a multi-storey car park and state-of-the-art meeting facilities.

# Donations

Donating to Graduate House is not just a donation to our organisation, but a donation towards ideals such as lifelong learning and national and international reciprocation. We look to continue our pivotal roles in nurturing the many early career graduates who stay in our college each year, supporting the many in-career academics, professionals and retired members of Graduate House who live and work all over the world, as well as continuing to be a hub for networking and contact for the thousands of people who visit our beloved Graduate House each year. All donations are tax deductible.
