Stage 1 – nominations

2. Disqualification Declaration

The Graduate Union must comply with the following five governance standards¹ to retain registration as a charity with the Australian Charities and Not-for-profits Commission (ACNC).

- Standard One:** Purposes and not-for-profit nature of a registered entity
- Standard Two:** Accountability to Members
- Standard Three:** Compliance with Australian laws
- Standard Four:** Suitability of responsible entities
- Standard Five:** Duties of responsible entities

A ‘responsible entity’ (Standards 4 and 5) means a person in a responsible position on Council, committees or working parties, or in senior management.

To meet these standards, The Graduate Union must:

- be satisfied that its responsible entities (persons) are not disqualified from managing a corporation nor disqualified by the ACNC from being a responsible person;
- take reasonable steps to remove a person in a responsible position who does not meet these requirements; and
- take reasonable steps to ensure that the members of Council know and understand their legal duties and that they carry out their duties.

The Council of The Graduate Union is responsible for ensuring that The Graduate Union complies with the above standards. With regards to election to Council, Council shall:

- require that a nominee for election to Council submits a signed declaration that a nominee is neither disqualified from managing a corporation nor disqualified by the ACNC from being a responsible entity (person);
- cause searches to be done on appropriate public registers in order to satisfy Council that a nominee for election to Council is neither disqualified from managing a corporation nor disqualified by the ACNC from being a responsible entity;
- submit to Members of the Association a nominee for election to Council only if Council is satisfied that the nominee is neither disqualified from managing a corporation nor disqualified by the ACNC from being a responsible entity;
- shall act to remove a Council Member from office if this person is found by Council to be either disqualified from managing a corporation or disqualified by the ACNC from being a responsible entity.

¹ Governance Standards of the *Australian Charities and Not-for-profits Commission Regulation 2013 Select Legislative Instrument No. 22, 2013 as amended.*

Disqualification Declaration

Nominees must read, complete, sign and date this Disqualification Declaration form and submit this so that it is received by the Returning Officer (PO Box 265, Mount Waverley, VIC, 3149 or ronritchie@optusnet.com.au) by **4.00PM 12th March 2020**.

*The wording in this declaration was sourced 1st September 2014 from www.acnc.gov.au and was verified as current 16th January 2020.

Important: read the information below before signing the *Disqualification Declaration*.

You may be disqualified from being a responsible person if you have been disqualified by the ACNC in the past year, or are disqualified from managing a corporation within the meaning of the *Corporations Act 2001* (Cth) (Corporations Act). This may occur if you:

1. have been convicted of certain offences, such as serious offences, dishonesty offences or other offences that can affect a corporation;
2. are an undischarged bankrupt or are subject to a 'personal insolvency agreement' you have not followed; or
3. have been disqualified by the Australian Securities and Investments Commission (ASIC), the Office of the Registrar of Aboriginal and Torres Strait Islander Corporations (ORIC), or an Australian or New Zealand court.

Most people will know straight away that these categories do not apply to them. However, if you think one or more of these categories **may** apply to you, the checklist below will help you work out if you are disqualified from managing a corporation.

Important: read and complete this **CHECKLIST** before signing the Disqualification Declaration.

Q1: Have you been convicted of any of the following:

- a serious ('indictable') offence that involves making, or participating in making, a decision that affects the whole or a substantial part of the business of a corporation (including an Aboriginal and Torres Strait Islander corporation);
- a serious ('indictable') offence for actions that could significantly affect a corporation's (including an Aboriginal and Torres Strait Islander corporation's) finances;
- an offence that is a contravention of the Corporations Act or the *Corporations (Aboriginal and Torres Strait Islander) Act 2006* (Cth) that is punishable by imprisonment for more than 12 months;
- an offence involving dishonesty that is punishable by imprisonment for at least three months; or
- a serious offence against the law of a foreign country that is punishable by imprisonment for a period greater than 12 months.

These include offences against the law of a foreign country.

No. Move to Q2 below

Yes. Read below

If you have been convicted of one of these offences, has:

- it also been less than five years (from conviction, if no prison sentence, or from release from prison for the offence); or
- a court extended your disqualification time (and it is still within this disqualification time)?

No. Move to Q2 below

Yes. You **are disqualified** from managing a corporation. Please do not sign the declaration. If you still want to act as a responsible person for The Graduate Union of The University of Melbourne Incorporated, a registered charity, see below.

However, if the corporation affected is or was a registrable Australian body or foreign corporation, contact the Australian Charities and Not-for-profits Commission to work out if you are disqualified (since an exception may apply). If not, please do not sign the declaration.

Q2: Are you bankrupt or under personal insolvency?

Have you:

- ever been bankrupt (under Australian or any foreign law) **and** have not been discharged from this bankruptcy; or
- made a ‘personal insolvency agreement’ **and** not complied with the agreement?

No. Move to Q3 below

Yes. You **are disqualified** from managing a corporation. Please do not sign the declaration. If you still want to act as a responsible person for The Graduate Union of The University of Melbourne Incorporated, a registered charity, see below.

Note: A personal insolvency agreement is a formal agreement between a person and their creditors, when that person cannot pay what they owe. This agreement is set out in a deed under Part X of the *Bankruptcy Act 1966* (Cth) or a similar law of an external territory or a foreign country.

Q3: Have you been disqualified by a court or regulator?

Have you:

- had a New Zealand court order made against you preventing you from being a director or being involved in the management of a foreign company; or
- been disqualified by an Australian court, ASIC or ORIC and this disqualification is still current?

No. You are **not disqualified** from managing a corporation. **You can sign the declaration.**

Yes. You **are disqualified** from managing a corporation. Please do not sign the declaration. If you still want to act as a responsible person for The Graduate Union of The University of Melbourne Incorporated, a registered charity, see below.

Note: If you are unsure, ASIC keeps a [register of people who have been disqualified](#) by ASIC, ORIC or an Australian court (but not by a New Zealand court). Visit www.asic.gov.au and ‘Search ASIC registers’ to find the Banned and Disqualified register.

If you can answer ‘no’ to each of the above three questions, please sign the responsible person declaration on the next page. Please contact the ACNC if you are still unsure about any of these questions.

Even if you are disqualified from managing a corporation, you may still be able to be a responsible person of The Graduate Union of The University of Melbourne Incorporated, a registered charity, if the ACNC allows you to do so (as well as ASIC or ORIC, if necessary). Please contact the ACNC for more information if you are disqualified but would like to request the Commissioner to allow you to be a responsible person.

Important: read the guidance and checklist before signing the *Disqualification Declaration*.

3. Australia-wide Criminal History Check

This section provides guidelines on undertaking an Australia-wide Criminal History Check (also known as a Police Check). An Australia-wide Criminal History Check contains a confirmation via a **report** that a person to whom it relates either has no 'disclosable' convictions or has a 'disclosable' conviction that is detailed in the report.

A 'disclosable' conviction is one that is recorded by the court and has not been rehabilitated or spent under the *Criminal Law (Rehabilitation of Offenders) Act 1986* and, in the case of Commonwealth convictions, the *Crimes Act 1914 (Commonwealth)*, and does not breach the confidentiality provisions of the Youth Justice Act 1992.

The nominee is required to undertake a 'Name Only' Australia-wide Criminal History Check. This Check is based on a search of the nominee's name against the criminal history records held by police services Australia-wide. The Australia-wide Criminal History Check is completed on-line at www.nationalcrimecheck.com.au/.

Click 'START A NEW POLICE CHECK' to enter information into the on-screen fields. The name entered must correspond to the name given on the **Nomination Form**.

In the **Check Type** section:

- for the question 'Will you have unsupervised access with children and/or vulnerable people?' select '**No access**';
- under **Check type** select **Unpaid Volunteer**;
- under **Volunteer Role** type in **Board Member**;
- under **Proposed place of work** type in **The Graduate Union of The University of Melbourne Inc.**

Indicate agreement to the Privacy and terms statements, click **Save and Continue**, and after receiving an email from National Crime Check, enter (manually – not copy and paste) the confirmation code that is sent to your email address and complete the **Applicant Verification** process.

Following confirmation of the payment total for a Volunteer-General check with **Email only** Dispatch (and no added Right to Work in Australia) click **CONTINUE** to be taken to the screen for credit card payment.

**** The Association will reimburse payment for the National Criminal History Check upon receipt of a tax invoice.**

Following payment, complete, check and submit the application. Most Australia-wide Criminal History Checks are completed in 24 to 48 hours (that is, one to two days), with a report being sent by email to the nominee.

The Australia-wide Criminal History Check report for the nominee must be **received** by the Returning Officer (email ronritchie@optusnet.com.au) by **4.00PM 12th March 2020**.

The Australia-wide Criminal History Check (Police Check) is valid at the time of issue and report only on offences up to this date. It does not have an expiry date. The Association reserves the right to request an up-to-the-minute Check from a nominee and to accept an older Check on request.

Stage 2 – if a ballot is necessary

4. Nominee Personal Statement and Photograph

This section provides guidelines for nominees in preparing the Personal Statement and Photograph to be included in the Ballot Material which will be sent to Members should a ballot (vote by Members) be necessary.

Following submission of the Nomination Form (Form 1) and the Disqualification Declaration (Form 2), and if a ballot is necessary, the Returning Officer will contact each candidate to invite their submission to the Returning Officer of the Nominee Personal Statement and Photograph:

to be **received** by the Returning Officer by **4.00PM 19th March 2020**.

Guide for Personal Statements

1. The Personal Statement must be no longer than 150 words and must not refer to another candidate standing for election without the written consent of that other candidate.
2. The Returning Officer may reject a candidate's (nominee's) Personal Statement if, in the opinion of the Returning Officer, it contains offensive or obscene material or is likely to mislead or deceive a voter in the casting of his or her vote. A candidate is responsible for the accuracy and integrity of the contents of his/her Personal Statement.
3. Please note the following regarding a candidate's Personal Statement:
 - 3.1. The Returning Officer is not responsible for correcting any errors in grammar, punctuation or spelling. Candidates are therefore advised to check their Personal Statement thoroughly before submitting it to the Returning Officer.
 - 3.2. The Personal Statement must be in English.
 - 3.3. The print size and style will be standardised so that the Personal Statements can be printed in the limited space available.
 - 3.4. Within printing restrictions, Personal Statements will be reproduced in the format provided by the candidate; that is, with any words in italics, or underlined and with paragraphs indented. Note, however, that no bolding is permitted.
 - 3.5. Personal Statements will be printed in standard upper and lower case. Do not submit your Personal Statement all in upper case as it could then be difficult to determine which words should begin with a capital letter.
 - 3.6. While dot points may be used, too many dot points could result in your Personal Statement being printed in a smaller font than other Personal Statements to fit on the page.
 - 3.7. The use of many short paragraphs or the extensive use of long words could also result in your Personal Statement being printed in a smaller font size than those of other candidates.
 - 3.8. Anything submitted in bold will be printed in plain text. If you wish to emphasise a word or phrase, use italics or underlining. However, overuse of italics or underlining loses impact.
 - 3.9. Each candidate's statement is restricted to 150 words. If a statement exceeds 150 words, only the first 150 words will be printed.
 - 3.10. Punctuation, dot points, dashes, brackets, etc. are not included in the 150 words.
 - 3.11. The following give examples of how rules will be applied to the counting of words:

<u>Dates</u>	17 January 1980 = 3 words	17/1/80 = 1 word
<u>Abbreviations</u>	UNESCO = 1 word	DipEd = 1 word
<u>Numbers</u>	forty-eight = 1 word	48 = 1 word
<u>Other</u>	a = 1 word	I = 1 word

3.12. Submission of a Personal Statement is not compulsory. If no Personal Statement is submitted, the words “No Personal Statement was provided by the candidate” will be entered in the Ballot Material which is sent out to all voting Members.

Guide for Photograph of Candidate

A passport-type photograph, preferably by email in jpeg format, can be supplied with your Personal Statement. The photograph must be recent, head and shoulders only, with light background for better printing.

If the Photograph is forwarded in hard copy it should be endorsed with the candidate’s (nominee’s) name written on the reverse of the photograph. A scan will be undertaken to digitise the Photograph for publication in the Ballot Material. A good quality Photograph is thus recommended.

Submission of a photograph is not compulsory. If no photograph is submitted, the words “No photograph was provided by the candidate” will be entered in the Ballot Material.

EXAMPLE ONLY

The following gives an example of how the Personal Statement text and the Photograph will be positioned in the Ballot Material. *Do not fill this in – it is for demonstration purposes only.
