Donation

From its establishment in 1911, Members have lived, learned and met together to continue the experience of 'the meeting of the minds' beyond university as they entered the workforce, had families, became leaders, volunteered across the world and retired. These Members built the organisation through great generosity in the form of donations of funds and buildings, bequests and sponsorship, together with volunteer and pro bono work. We seek always to honour this legacy and to foster a culture of active and contributing membership.

Your gift is tax deductible. We hope that you will consider giving a donation.
